DESCRIBE WHAT HAPPENED: REFER TO UNITS BY NUMBER

Unit #2 came to a stop at the 4 way intersection preparing to leave the parking lot, waited 4 seconds, and then proceeded through. Unit # 2 was heading east straight through the intersection. No other vehicles were waiting at the intersection at the time and unit #2 had right of way. When unit #2 was about halfway through the intersection unit #1 ran the stop sign, traveling straight through from south to north, and collided with unit #2. Unit #1 did not slow down at their stop sign. Unit #1s front left corner struck the front right corner of unit #2. (As clearly observed on Walmart's video surveillance)
